Sometimes, I get tired of this me first attitude
You are the one thing, that keeps me smiling
That's why I'm always wishing hard for you
'Cos your life shines so bright
I don't feel no solitude
You are my first, star at night
I'd be lost in space without you

(Chorus)

And I'll never lose my faith in you
How will I ever get to heaven, if I do

Feels, just so fine
When we touch the sky me and you
This is my idea of heaven
Why can't it always be so good
But it's alright, I know your out there
Doing what you've gotta do
You are my soul satellite
I'd be lost in space without you

(Chorus)

And I'll never lose my faith in you
How will I ever get to heaven, if I do

(Repeat chorus)

I'll never lose my faith in you
I'll never lose my faith in you
