Hello.
Where are you?
Why'd you leave me?
What'd I do?
Is it too late?
Can I ever make it up to you?
Is it over?
Did it ever really start?
Could we put it back together?
Or... Will I fall apart?
Open doors to dead-end roads
As far as I can see.
I'm looking for an answer
That will bring you back to me.
Hello.
Where am I?
Will you help me?
Is it true?
Will you keep me?
Did you find somebody new?
Can I see you?
Will you come back?
Should I beg you?
Open doors to dead-end roads
As far as I can see.
I'm looking for an answer
That will bring you back to me.

Goodbye.
I'm sorry.
You're an angel.
I'm a fool.
It's all my fault
It's all my fault
Confused emotions made me cruel.
The final questions
As I'm looking out the door:
Am I breathing?
Am I leaving?
And just what's tomorrow for?
