So close your eyes for that's a lovely way to be  
Aware of things your heart alone was meant to see  
The fundamental loneliness goes whenever two can  
dream a dream together  
No, You can't deny, Don't try to fight the rising sea  
The fundamental loneliness goes whenever two can  
dream a dream together  
When I saw you first the time was half past three and  
when your eyes met mine it was eternity  
By now we know the wave is on its way to be  
Just catch the wave don't be afraid of loving me  
The fundamental loneliness goes whenever two can  
dream a dream together  
When I saw you first the time was half past three and  
when your eyes met mine it was eternity  
By now we know the wave is on its way to be  
Just catch the wave don't be afraid of loving me  
The fundamental loneliness goes whenever two can  
dream a dream together (fade with repeated  
'together')
