[Music: E. Avila/S. Carrasco]

[Wizard:]

Our cave will have a keeper

Save him, save him

[Wizard:]

The power of the darkness guides our steps

Under The wickedness of the sorceress

Your son will grow up

[Mother:]

My innocent boy

Is part of my entrails

You will never pervert his childhood

Heartrending scream in the night

The wind says he was given birth

And kidnapped by the shadows,

His mother cried bloody tears,

As a bird of prey the wizard holds the child

[Bridge:]

Keeper of the cave

You will learn to live

Betwitched by wizards

Guardian of the den

Brutal sacrilege

Flesh aberration

[Wizard:]

New blood has been chosen

To hide our secret

Weeping Woman:

Forget this name

You'll never recognize him

[Mother:]

My son belongs to me!

Why does he have to pray!

I cannot stand this defeat

[Chorus:]

She couldn't forget the eyes of her son,
Her pain ended with her life
Suicide was the answer
Twilight of hope

Heartrending scream in the night
Merciful death, desperate choice
Glory of the pagan spectrums

[Bridge...]

[Invunche:]

I am the keeper of the cave!
Enclosed in a monstrous body
Fed with human flesh
Three feet, destiny is full of horror
I am the guardian of the cave!

[Chorus...]

[Solo: Both]
