I seen a whole lot of girls in my days, my days  
None of them have ever made me say what I'm about  
to say to you  
You bad than a muthafucker, muthafucker  
You bad than a muthafucker, what's it gonna take for  
me to get you?

She was bad than a muthafucker, sexy with a triple-X  
Type of girl that need somethin' nasty to keep the  
pillow wet  
And I feel her strippin' naked in the silhouette  
Come a little closer baby girl 'cause I'm feelin' it

She the hottest, super bad and exotic  
She got a gang of ass and goddamn she got it  
Never seen her before, but I seen her when she walked  
in the door  
Goddamn, I got to have it for sure

The DJ playin' my song and it won't be long  
I put the mackin' in effect, try to get in her thong  
You gain some, you lose some, me I'm one to choose  
from  
I got game baby girl, and I want some

She the shit, and she know it  
Pop a couple of bottles, let Diggy Daz overflow it  
My emotions I'm showin', take time with the cutie  
Tax it and watch me do my thang with the booty

I seen a whole lot of girls in my days, my days  
None of them have ever made me say what I'm about  
to say to you  
You bad than a muthafucker, muthafucker  
You bad than a muthafucker, what's it gonna take for  
me to get you?

There's some hoes in this house  
When you seem 'em point 'em out  
Get 'em on the dance floor, turn 'em out  
'Cause there's some hoes in this house

This is for them super bad bitches lookin' good in the club  
Wanna smoke with a player, wanna drink on some bubb'  
She lookin' like a lawyer, lookin' like a actress  
Super bad model 'cause she's lookin' so attractive

We got weed in the air, middle fingers up  
Bitch on my side, drink in my cup  
Niggaz startin' to sound like bitches, they need to quit  
I'm in the corner posted with a bad ass bitch

She lookin' good in them jeans, hat to match  
She all up on the ball sack, how ill is that?  
She a bad mamma jamma from New York to Savannah  
From Miami to L.A., to the Bay to Atlanta

I seen a whole lot of girls in my days, my days  
None of them have ever made me say what I'm about  
to say to you  
You bad than a muthafucker, muthafucker  
You bad than a muthafucker, what's it gonna take for  
me to get you?

I seen a whole lot of girls in my days, my days  
None of them have ever made me say what I'm about

You bad than a muthafucker, muthafucker  
You bad than a muthafucker, what's it gonna take for
