Chorus:

If she looks like you, she can come thru
Heels like you, she can come thru
If she freaky like you, she can come thru
Eating money like you, she can come thru.
I can't wait to say I take it all over
So cope in the face chick so we can get low,
Money to burn and almost meaning on you,
So come out to spot and then I'll play it with you
So come thru

Welcome to the home of sunshine
