Y'all know this is So So, yeah

I got trees in a Jar 23's on a car
You can bleed if I star we on the boulevard
Got straps simple as dat hand on the trigger
Need 30 mo' oh's to add to these figures

See my necks so heavy gotta shine up the Chevy
See ya betta stay wit it or ya gon' get wet
Stay in the fresh shit new fly kicks
Hundred thousand dolla whip nigga dose dat trip

Getcha walk on, throw up ya set
Yeah, get it how you livin' nigga rep musik
Diamonds on my neck diamonds on my wrists
Just a lil' somethin' playa yeah, money ain't shit

You know the clubs so packed, girls so stacked
Me and my niggaz smokin' chronic in the back
Got ass so fat, I like it like that
When she get up all on it I'll beat it from the back

On some real shit, I gotta be the best
I gotta stay fresh, I represent the West
On some real shit, I'm all about the cash
A bitch wit some ass and some drink in my glass

On some real shit, we don't play no games
If you talk slick ya betta be prepared to bang
On some real shit, I got mo' bounce than an ounce
I'll do it to you bad for a large amount

It had to be a dope chain, started wit the dope game
All about the cocaine, tired of bein' poor mayne
Cracks in a niggaz roof, buckets just to catch the rain
Sellin' crack on the roof buckin' just to get a name

Now I'm crack in a roof open up the Bentley brains
No flaws in the stones, iced out urr thang
Three colors on a wrist, watch cost anotha fifty
So So Def D P G fuckin' on some real shit

West coast got the best smoke
Miami hoes well known for the best throat
Miami well known for the best dope
Hit the cell phone now for the best quotes

You see the pretty paint, you see I'm sittin' high
I got a boat mo' the fuck doin' 55
Don't let this 4 puond bang ya
This Rick Ross and them Dogg Pound Gangstas

On some real shit, I gotta be the best
I gotta stay fresh, I represent the West
On some real shit, I'm all about the cash
A bitch wit some ass and some drink in my glass

On some real shit, we don't play no games
If you talk slick ya betta be prepared to bang
On some real shit, I got mo' bounce than an ounce
I'll do it to you bad for a large amount

I eat Now and Later, poly seeds, love to smoke a lot of
weed
Khaki shorts, white tees, all blue wilda C's
Gotta be the best in everything that I do
I'mma real mothafucka, How to fuckin stay trueeee

I stay away from the suckas mark cowards and bustas
See I'll put it on yo ass do it like no otha
On some real shit feel this, check how I rep dis
See them niggaz C walkin' or dat A-Town steppin'

I'm So So Def, so so pathetic
They see a nigga ballin' and they wonder how I get it
I gotta keep a weapon for dis typa profession
Nig incarcerate if you slippin' yup anyone can get it

On the turn fo' payed like the boss that I work for
Fatty Mazerati and Ferrari and the Lambo
Strapped like Rambo, clip after clip
Yeah, I love the set trip and love the suered up shit, but

On some real shit, I gotta be the best
I gotta stay fresh, I represent the West
On some real shit, I'm all about the cash
A bitch wit some ass and some drink in my glass

On some real shit, we don't play no games
If you talk slick ya betta be prepared to bang
On some real shit, I got mo' bounce than an ounce
I'll do it to you bad for a large amount

On some real shit, I gotta be the best
I gotta stay fresh, I represent the West
On some real shit, I'm all about the cash
A bitch wit some ass and some drink in my glass

On some real shit, we don't play no games
If you talk slick ya betta be prepared to bang
On some real shit, I got mo' bounce than an ounce
I'll do it to you bad for a large amount
