Yeah, drummer boy, drop that shit

Yeah, mob through the city, paint looking like candy  
Headed to my bad bitch, that pussy come in handy  
Throw that dissing dick, got that bitch running from me  
Head back to the trap, lick some shit that really slap  
All we do is smoke strong, neighbors know what's  
going on  
Can't stay in one spot, too long, cause other shit be  
going on  
Flip this how it is, in my hood, ride with a g  
This how it is in my hood, ride with a breeze

[Hook]

Ridin, ridin, ridin, wheels spinning on the traffic while  
I'm banging my beat  
I be ridin, ridin, ridin, nigga all through the hood  
With a bag and I push far away  
Take night, I be ridin, ridin, ridin  
Hating but I'm doing what you wishing you can be like  
me  
Niggas see me just all through the hood, all through  
the hood  
All through the hood, all through the hood

Nigga I'm all in the hood, that nigga ball in the hood  
When it's a problem in the streets nigga you know it  
ain't good  
Hit a nigga with some games, still stay in my lane  
Hit a nigga with that thang, that's just part how we  
bang  
24 still shinning, just got it washed and waxed  
Daz on the macs, 93's airmax,  
Bitches love it when a niggao n that big boy status  
Just tryina beat that pussy up on that big boy mattress  
The city wildest ... east side, lb,  
When it's time to get money y'all niggas call me  
I want my hands in errything, yeah I get greedy  
I'm back on that mind state, the streets yelling feed  
me  
Eat your ass alive if you really can't survive  
Shit can get live, have you on the news at 5

A report from a reporter saying another nigga died  
Hard through the city in the hood as a bomb

[Hook]

Stay in the hood, cause I was raised in the hood  
Don't say you looking for a nigga, yeah I'm right up  
in the hood  
Ain't never hard to find me, I'm on 21 in logan  
Smokin on that lotion yeah I'm spitting the dopest  
Switch lane, my engine is so clean  
And my ass, my shit is so mean  
I swear to god your ass when I hop on that  
motherfucker  
I'm feeling jet lag  
A couple niggas riding hood want that charlie sheen  
I get it all up quick, they buy the whole thing  
Look, survival is the main thang, and them dulo niggas  
want wide hood gang bang  
Done heard it all, done seen it all  
Done seen a nigga hit the top and make that fast fall  
See I'm just showing you that hood life  
And what my hood really like when I'm
