Sky is blue
I know that it's true
I'm dreaming of you
And I allways will do
Sky is blue
I know that it's true
I'm dreaming of you
Dreaming of you...

I met you in the city,
An afternoon in the park.
God knows what i've been thinking,
I fell for you right from the start.
A feeling so hot,
That I couldn't explain,
Emotions so strong,
It drives me insane.
Just slipping away,
From the one that I need,
So please don't walk away...

Sky is blue,
And I dream of you.
I wish your not a fantasy
But is true
I wish your not a fantasy
But is true

Since the day that I met you
You've allways had a place in my heart
To think that I will forget you
No nothings gonna keep us apart
A feeling so hot
That I couldn't explain
Emotions so strong
It drives me insane
Just slipping away
From the one that I need
So please don't walk away...

Sky is blue,

i know that it's true
I'm dreaming of you
And I allways will do
Sky is blue,
I know that it's true.
I'm dreaming of you
Dreaming of you...
