[Daz Dillinger]

We got them bricks (shit) we got them birds

Come fuck with us man...

Y'know niggaz get real deep nowadays y'knahmsayin

When I think about life, THAT'S DEEP

All the years that he's faced, THAT'S DEEP

Damn, where'd his mind go? THAT'S DEEP

He became a dopefiend - THAT'S DEEP

20 inches beatin down the block

The wind blowin, I got the top on the drop down

Coastin up the coast, thinkin 'bout life

And all the struggles and strifes, I had to pay the price

Not guilty, not guilty, I just left court

The game that niggaz play, see the life as a sport

No tellin where'd I be if I wasn't rappin

Be probably wrappin up birds, I'd be gettin the cabbage

But I'm blessed - I thank God for that

My momma PRAYED~! that I'd have that scratch

It's time for me, but this problem's too late

Cause my birthday, I'm blowin candles out with no cake

Went from a pound to shake, in a matter of hours

Left the hotrodder run while I'm takin a shower

I dry off, I smoke me some kush

Look at the news, and I trip offa Bush

Cause uhh

He got killed in Iraq, THAT'S DEEP

He got shot in his back, THAT'S DEEP

Homey yeah what happened? THAT'S DEEP

He kick the real when he rappin - THAT'S DEEP

Today on the news

Woman kills 3 children

What went through her mind?

Today, 8, goldmine workers, killed

8 people shot up, in a post office

What, goes on, through their mind?

My homey got stuck in the back of his truck

Probably from what he wanted, the nigga price when a
nigga stuck
Cherish your life, you only one chance to live it
Do it for yourself or do it for the children
But the street life, is what the kids desire
We smoke weed, but they can only get high
You see many died, many tried
Where they lied, he got a 100 lives
He in the pen stretched out, now when his kids grow up
they can say - daddy missed out
Now behind bars, not behind a wall on the streets
You can't escape when becomin a G
Because uhh

Yeah, everybody out there
If y'all don't get up, stand for somethin you'll fall for
anythang
Get out there, get you some money
NIG-GAH~!
