Fresh dressed (ooo),
Fresh fresh dressed (ooo 6 Tre),
Fresh fresh dressed, Fresh fresh dressed,
Fresh fresh dressed, Like a million bucks

See I was lookin, feelin like a million bucks,
Cuz I was Fresh dressed, Fresh fresh dressed.
See I was in that club, I had the tool on tuck
But I was Fresh dressed, like a million bucks

I tip on the scene, too clean
Fresh to death in the earth tone Miskeen
Face on the shirt, partner, the mug on mean
Cocoa paint, the same thang on the jean
You know u aint seen a gangsta that clean
Fit so sick, the fit need vaccine
Round my britches, big diamond back rattler
Cocoa fitted, the A stands for Alabama
First of the month, I'm like a cunt on a cycle
Come up short, I chump em off like Michael
(Beat it)
Hit them bricks, and I'ma stalk like Michael
When I flip the chips, I cop the off white Michaels
(Swish)

Fresh dressed (ooo),
Fresh fresh dressed (ooo 6 Tre),
Fresh fresh dressed, Fresh fresh dressed,
Fresh fresh dressed, Like a million bucks

See I was lookin, feelin like a million bucks,
Cuz I was Fresh dressed, Fresh fresh dressed.
See I was in that club, I had the tool on tuck
But I was Fresh dressed, like a million bucks

Black 'Sace frames on beat
Big boy chain wit the 30gram piece
Charcoal leather, new era w/the stocking
Dope boy cezarz, bout six back pockets
I rock J's, I got custom made ostridge
Black Catrays, they hit me for the 800
Ain't no thang, we keep crakin all day

Man we cop u haul trucks, we trappin all day
When I hit that mall, I act pitiful
Yall adat but 6 Tre goin digital
Metro Park, cop Don Ed Hardy
Pop two bars, and throw a rock star party
I was lookin, feelin like a million bucks
I was on that kusk and dawg it had me stuck
Lil mama look like trina and she thick as ***
Plus I'm on that Belveder, I think I'll try my luck (yea)

Fresh dressed (ooo),
Fresh fresh dressed (ooo 6 Tre),
Fresh fresh dressed, Fresh fresh dressed,
Fresh fresh dressed, Like a million bucks

See I was lookin, feelin like a million bucks,
Cuz I was Fresh dressed, Fresh fresh dressed.
See I was in that club, I had the tool on tuck
But I was Fresh dressed, like a million bucks

See I'ma hit that north, black tee
Black 13's wit the crown holder jeans
Mark Buchannon, black leather with the panther
Flex fit baseball, the B stands for Bama
I'm off the chain, and is, Mont Blanc frames
Will show them dames how I live
Rock them Dolce's, rock Prada, rock Gucci
I can't rock that pink but I'm trill like Boosie
That brand new Coogie, done hit that block
Aqua blue joker group, cop that off top
Got the jeans and the jacket
Got the hat and the top
Got my gal lookin for the shoes and the socks
(Pimp)

Fresh dressed (ooo),
Fresh fresh dressed (ooo 6 Tre),
Fresh fresh dressed, Fresh fresh dressed,
Fresh fresh dressed, Like a million bucks

See I was lookin, feelin like a million bucks,
Cuz I was Fresh dressed, Fresh fresh dressed.
See I was in that club, I had the tool on tuck
But I was Fresh dressed, like a million bucks
