

Sixpence None The Richer "Cages & Disgraced"

So many caged - caged and disgraced
Too many inside - need to be out
So many caged - caged and disgraced
For doing nothing but pleasing themselves
Freedom is strenght
They want to take it too
I need a place where I can do
What I want to
Sent away - for being myself
Sent away - for being me
I just want to live - my own life
I just want to live
Free

So many caged - caged and disgraced
Too many inside - need to be out
So many caged - caged and disgraced
For doing nothing but pleasing themselves
Freedom is strenght
They want to take it too
I need a place where I can do
What I want to

How can you judge how another one lives ?
It's victimless.
