Let me let know what makes you happy  
And I'll do it over, over and over again  
Let me let me know just how you love me an  
We'll spin around again in this field of flowers  
We're in  
I wish to quote from Whitman now to show  
The way I feel i feel about you oh about you  
Because it's a "subtle electric fire" you light in  
Me every time I see you so let's dance again  
In this field of flowers we're in  
These lyrics are so frivolous they really have  
No meaning but I wrote them for you and  
Anywhere I would be with you no matter  
Where, but for now we're here so let's spin  
Around again in this field of flowers we're in  
Let's spin again in this field of flowers we're in
