You know I need
All the love you give
A loser like me
I just don't know why you would
Give it for free
When I don't deserve it
You know now
I wonder why
You wouldn't want to charge
A higher price
You take a loss and still give
Another try
Knowing that some day
We'll find each other saying

Chorus
Your love is fire
And I am the wood
That burns inside
The warmth of your blood
Without you I'd fade away
A loser just like me

You know I try
To give you all the love I hold inside
I have a hard time when I can't say it right
But I'll see the day when I will find the words and say
them

Chorus
Your love is fire
And I am the wood
That burns inside
The warmth of your blood
Without you and the flame you keep inside
I'd fade into the night
I'll always say them
Your love is fire
And I am the wood
That burns inside
The warmth of your blood
Without you and the flame you keep inside

I'd fade into the night
A loser just like me

You know I need
All the love you give
A loser like me
I just don't know why you would
Give it for free
