There she goes
There she goes again
Racing through my brain
And I just can't contain
This feeling that remains

There she goes
There she goes again
Pulsing through my veins
And I just can't contain
This feeling that remains

There she goes
There she goes again
Racing through my brain
And I just can't contain
This feeling that remains
There she goes
There she goes again
She calls my name,
Pulls my train
No one else could heal my pain
And I just can't contain
This feeling that remains

There she goes
There she goes again
Chasing down my lane
And I just can't contain
This feeling that remains

There she goes
There she goes
There she goes
