Prepare yourself for the worst it's coming soon
I believe in those foretold prophecies of doom
They say the end is close, it's coming fast
Not every single one of us is gonna last
So, stand and fight or kill yourself right now
It'll be one less motherfucker to kill
Skin shot, burned, stabbed, scorched and torn
This pain is real - you can't ignore...

War is coming

Arm yourself with the right to kill at will
Shoot to kill it's them or you
Time to choose, time to choose or die
Blood's pouring, from the hole in your side
Take the pain - it'll focus and stenghten you
Take the pain - or your life's fuckin' through
Face the pain - let it become part of you
Take the pain

War is coming

Prepare yourself for the worst it's coming soon
I believe in those foretold prophecies of doom
They say the end is close, it's coming fast
Not every single one of us is gonna last
So, stand and fight or kill yourself right now
It'll be one less motherfucker to kill
Skin shot, burned, stabbed, scorched and torn
This pain is real - you can't ignore...

War is coming
