Lately
I'm caught in the in-between
Of who I've been and I'm meant to be
I'm not anything I hoped and dreamed that I'd become
Maybe
You've been running after me
And I've just not the eyes to see
That You will finish everything that You've begun

I fall down on my face
I'm reaching up for Your grace

Chorus:
You are the only one who can save me
Save me from myself
I'm gonna need Your help
Take me and break me
Until I stand before You, holy
I can't get enough
I'm captured by Your love

Stop me
So sick and tired of running away
From who I know that I'm meant to be
And I don't have the strength I'm needing to become

I fall down on my face
I'm reaching up for Your grace

Chorus:
You are the only one who can save me
Save me from myself
I'm gonna need Your help
Take me and break me
Until I stand before You, holy
I can't get enough
I'm captured by Your love

You've never given up on me
You're everything that I couldn't be
And nothing could ever take me from Your love

Chorus:

You are the only one who can save me
Save me from myself
I'm gonna need Your help
Take me and break me
Until I stand before You, holy
I can't get enough
I'm captured by...

Chorus:

You are the only one who can save me
Save me from myself
I'm gonna need Your help
Take me and break me
Until I stand before You, holy
I can't get enough
I'm captured by Your love
I'm captured by Your love
