I've been holding on to  
Everything that leaves me empty  
Why can't I just let it go?  
It's so hard to see through  
Don't know how it always gets me  
Or how I got down this road

I could never do enough,  
There's no way to buy Your love  
'Cause You've already paid  
For all the things I've done

Chorus:  
And You say to me  
That I'm already innocent  
And I can't believe  
You take me as I am  
And I'm on my knees  
Begging for forgiveness  
I know I'm guilty, but You make me innocent

How can You forgive me  
When You know it's not the last time  
And You know I'm gonna fall again?  
Though my hands were dirty,  
You were the One who died to cover all my sins

I could never do enough  
There's no way to buy Your love  
'Cause you've already paid  
For all the things I've done

Chorus:  
You say to tme  
That I'm already innocent  
And I can't believe  
You take me as I am  
And I'm on my knees  
Begging for forgiveness  
I know I'm guilty, but You make me innocent

I know I don't deserve it

I know I'll never earn it  
So tell me how You can hold me in Your arms

Chorus:  
And say to me  
That I'm already innocent  
And I can't believe  
You take me as I am  
And I'm on my knees  
Begging for forgiveness  
I know I'm guilty  
Yeah I know I'm guilty  
But You make me innocent  
You make me innocent
