Woah, Woah  
Woah, Woah

When I was young I had no fear  
It wasn't hard to know that You were near  
I've gotta get back and find the wonder of it all  
Like the heart of a child  
and never doubt my Father's call

Chorus:

I just wanna dance  
I just wanna dream  
I just wanna run back to the way it used to be  
I've gotta believe  
That You are the same unchanging God that made me  
free

I know that time goes by so fast  
But I won't let this moment pass away  
I'm gonna stand and raise my hands remembering  
You're the God of the universe  
and You showed Your love to me

Chorus:

I just wanna dance  
I just wanna dream  
I just wanna run back to the way it used to be  
I've gotta believe  
That you are the same unchanging God that made me  
free

Woah, Woah  
Woah, Woah

I know that You're near me  
I'm at that place again  
Amazed that You never left me  
So I'm not afraid  
No I'm not afraid

Chorus:

I just wanna dance

I just wanna dream  
I just wanna run back to the way it used to be  
I've gotta believe  
That You are the same unchanging God

Chorus:

I just wanna dance  
I just wanna dream  
I just wanna run back to the way it used to be  
I've gotta believe  
That You are the same unchanging God  
You are the same unchanging God  
You are the same unchanging God  
Who made me free
