Lost
My heart is hard as stone
On my own, alone
I carry it home
Gone
I used to waste the days
So distraught, I thought
I'm changing my ways
Now You're changing my ways

Chorus:
You save me, save me from myself
'Cause there is no one else I'd lean on
You save me, You save me from myself
'Cause there is no one else to set me free

Start
The start of something new
Is what I find when I'm just looking at You
A lift
You lift me off the ground
Keep holding my hand, I won't land
I won't even look down
I won't even look down

Chorus:
You save me, save me from myself
'Cause there is no one else I'd lean on
You save me, You save me from myself
'Cause there is no one else to set me free

Your love is
You love is
Saving me

Chorus:
You save me, save me from myself
'Cause there is no one else I'd lean on
You save me, You save me from myself
'Cause there is no one else to set me free

There is no one else to set me free

You set me free
