Please don't change  
Don't be afraid  
That you're not wanted here  
'Cause you're wanted here  
Don't fade away  
And don't hide your face  
And all the lonely tears  
Will disappear

Maybe you can't see it, but I can

Chorus:

You are someone's work of art  
Just the way you are  
And you're shining like the stars tonight  
All the pieces of your heart  
And all the lovely scars  
Are someone's work of art  
Are someone's work of art

When the lights go down  
And no one's around  
You're still standing there  
Wishing someone cared  
Can you hear me now?  
I am screaming out  
You're the one I choose  
There's no one like you

Maybe you can't see it, but I can

Chorus:

You are someone's work of art  
Just the way you are  
And you're shining like the stars tonight  
All the pieces of your heart  
And all the lovely scars  
Are someone's work of art  
Are someone's work of art

What I see in you is beautiful, so beautiful  
What I see in you is beautiful

You are someone's work of art  
And you're shining like the stars tonight

Chorus:

You are someone's work of art  
Just the way you are  
And you're shining like the stars tonight  
All the pieces of your heart  
And all the lovely scars  
Are someone's work of art  
Are someone's work of art
