So many loves have held my heart hostage
Just a hollow glimpse into
What I could have with you

I'm so tired of giving this imposter
A claim to what was meant for you
Yeah, I was meant for you

Chorus:
I wanna be undivided
So take it all away
I wanna be yours alone
I wanna be yours alone
So undivided
Take it from my hands
Everything that I hold
I wanna be yours alone

All the things I thought would surely fill me
Only left me looking for
Something found in you

Chorus:
I wanna be undivided
So take it all away
I wanna be yours alone
I wanna be yours alone
So undivided
Take it from my hands
Everything that I hold
I wanna be yours alone

No other
No other lover
There is no other one for me

Undivided
So take it all away
I wanna be yours alone
I wanna be yours (I wanna be yours)

Chorus:

I wanna be undivided
So take it all away
I wanna be yours alone
I wanna be yours alone
So undivided
Take it from my hands
I wanna be yours alone
