Nothing can separate
Even if I ran away
Your love never fails

I know I still make mistakes
But you have new mercies for me everyday
Your love never fails

Chorus:
You stay the same through the ages
Your love never changes
There may be pain in the night
But joy comes in the morning
And when the oceans rage
I don't have to be afraid
Because I know that you love me
Your love never fails

The wind is strong and the water's deep, but
I'm not alone here in these open seas
'Cause your love never fails

The chasm is far too wide
I never thought I'd reach the other side
But your love never fails

Chorus:
You stay the same through the ages
Your love never changes
There may be pain in the night
But joy comes in the morning

And when the oceans rage
I don't have to be afraid
Because I know that you love me
Your love never fails

Your love never fails

You make all things
Work together for my good
You make all things

Work together for my good

And you make all things
Work together for my good
And you make all things
Work together for my good

You make all things
Work together for my good
You make all things
Work together for my good

Chorus:
You stay the same through the ages
Your love never changes
There may be pain in the night
But joy comes in the morning
And when the oceans rage
I don't have to be afraid
Because I know that you love me
Your love never fails

Your love never fails
Your love never fails
