Let's go
Good morning sunshine
What you wanna do today
I'm so tired of working
I've got too many bills to pay
That's ok
Cuz I've got a real straight shot
You've got a pretty good car
So pick a point on the map doesn't matter which one
We'll be rich when the job gets done
You hold the bag and I'll hold the gun
Fill up the tank let's rob a bank
I've got holes in my shoes
I've got holes in my underwear
Take a look in my wallet
There used to be some money there
I don't care
Cuz I've got a real straight shot
You've got a pretty good car
So pick a point on the map doesn't matter which one
We'll be rich when the job gets done
You hold the bag and I'll hold the gun
Fill up the tank
Let's rob a bank
We can everything we want ooooh la la la la
I can buy a new guitar
You can pay your credit cards
Let's rob a bank
Cuz I've got a real straight shot
You've got a pretty good car
So pick a point on the map doesn't matter which one
We'll be rich when the job gets done
You hold the bag and I'll hold the gun
Fill up the tank
Let's rob a bank
Point on the map doesn't matter which one
Let's rob a bank
We'll be rich when the job gets done
Let's rob a bank
You hold the bag and I'll hold the gun
Fill up the tank

Let's rob a bank
