[Words by: Michael M. Santos]

Ooh, I want some loving right here, right now
Yes, I want some kissin' woo wooho wooho
Ooh, I want some loving right here, right now
Yes, I wanna dance and sing, dance and sing woo
wooho wooho

I know
I got to take control
Of these feelings for you
Coz' I know it's all wrong

But I know
These feelings are true
And that I love you so
But I know it's all wrong

But still

Ooh, I want some lovingÂ... right here, right now
Yes, I want some kissin' woo wooho wooho
Yeah, I want some loving right here, right now
Yes, I wanna dance and sing, dance and sing woo
wooho wooho

Let's go to Manila, Cebu and Davao
Let love burn all around
Let's head to the beach and lie on the sand
Bottle of red will spice up the fun

I know I know, I know, I know
I got to take control, control, control, control
Of these feelings for you for you, for you, for you
Coz' I know it's all wrong all wrong, all wrong, all wrong

Ooh, I want some loving right here, right now
Yes, I want some kissin' woo wooho wooho
Ooh, I want some loving right here, right now
Yes, I wanna dance and sing, dance and sing woo
woho wooho

Ooh, I want some loving right here, right now
Yes, I want some kissin' woo wooho wooho
Ooh, I want some loving right here, right now
Yes, I wanna dance, dance, dance and sing come on,
come on, come on!
