Wooh wooh, it's a good day, eeehh, wooÂ...
Smile, smile, sing and dance along the wayÂ... taasÂ...

Wooh, I love the sunshine in the sky
It's good to hear those birds singing in a rhythmic
rhyme
And ooh, I love the warmth that I feel
It's kinda cool to drink coffee under the tree.

And ooh, I love the sun behind the clouds
Makes me feel good, makes me feel so proud
Ooh, I love the joy that you bring
It's really good to see you so here's my song, as I
singÂ...

Wooh, wooh, it's a good day. WoohÂ...
Smile, smile, sing and dance along the way
Wooh, wooh, it's a good day. WoohÂ...
Smile, smile, sing and dance in this lovely day.

Wooh, I love the colors in the sky
Rainbow paints the blue and mighty sky
And wooh, I love the view on the shore
The sun sets and will surely shine tomorrow.

Wooh, wooh, it's a good day. WoohÂ...
Smile, smile, sing and dance along the way
Wooh, wooh, it's a good day. WoohÂ...
Smile, smile, sing and dance in this lovely day.
