Flashing memories to clear my mind
I can't believe now it's all over
I can still remember how you and I
Saying I love you but things has changed

This things I can't explain to you

So many questions that we cannot answer
Coz we can't, we can't
We can't find any answer
We can't, we can't
Can't find any answer

Now it's time for us to start something new
But not the time to say goodbye
You're still my friend and I know
That we'll never change
Coz we care, we respect
The things we've shared in the past

Yes you'll be in my heart
Yes you'll be in my heart and soul
Yes you'll be part of me
Coz I'll be part of...

Yes you'll be in my heart
Yes you'll be in my heart and soul
Yes you'll be part of me
Coz I'll be part of... you...

Yeah we can't, we can't
We can't find any answer
We can't, we can't
Can't find any answer
