I wanna take you out of my dreams
And put you in to my life
Be My Lover
Nothing's like a dream from the heart
Let's never part
Be My Lover
(x2)
Never wanna live my life alone
I'm searching trough my heart
Always looking for the one
I wanna make you
And take you up high
To the place of love (of love)
Oo come on baby
Oo come on baby, it's love
I wanna take you out of my dreams
And put you in to my life
Be My Lover
Nothing's like a dream from the heart
Let's never part
Be My Lover
(ooh)
Be My Lover
(ooh)
Be My Lover
Don't be afraid of what you feel
Just take a look at me
Can't you see that I'm for real?
I wanna make you
And take you up high
To the place of love (of love)
Oo come on baby
Oo come on baby, it's love
(ooh)
(ooh)
Be My Lover

(Be My Lover)

I wanna take you out of my dreams
And put you in to my life
Be My Lover

Nothing's like a dream from the heart
Let's never part
Be My Lover
I wanna take you out of my dreams
And put you in to my life

Nothing's like a dream from the heart
