Oh I remember how it used to be
When we were kids and life went easily.

Hanging around the street at night
Young and reckless in the dark
Oh I remember how it was.

You and I could beat them everyone
We were the best, we were the stronger ones.

Fightin' our way through "danger nights"
Cruisin' around on summer days
Oh I remember how it's was

We were the GO ON BOYS, the go on boys
The go on boys ready to shake it, the go boys
So come on boys, the go on boys, the go on boys
Hungry to play them midnight toys
We were young and strong, out for the fun.

Oh I remember how it used to be
When we were kids and life went easily, yeah

Early youth, already far away
Memories that never fade away
Oh I remember how it was
