She came to me in the night,
She told me her name was Jill,
I'd never ever seen her before.
She came to meet someone oh yeah
Have company for a while.

With eyes so black as the night
She held me hypnotized,
I guess we had too much to drink.
She lighted up the fires in me oh yeah,
Her come on was so strong.

Somewhere in France, caught in a spell of Romance,
Somewhere in France, she came to me.
Somewhere in France, caught in a spell of Romance,
That night in France she came to me...

She came to me in the night,
I felt her heart beat with mine,
We had a night to share on our own.
The moon was shining down oh yeah,
We gave our hearts from the start.

Somewhere in France, caught in...
