I don't know what to do once again in my life  
Love is gone but keeps on hauntin' me  
The pain is hard, so hard, and now it shows  
And all the time I just want you to...

Take me home tonight, oh baby, I'm still in love with  
you  
Take me home tonight, I just wanna be close to you

I tried to move so I leave it all way behind  
But distance won't work, I just can't get over you  
No matter what, no matter where, the dream is there  
Give me a break, I'll make it up to you  
Yes, all the time I just want to you...

Take me home tonight, oh baby, I'm still in love with  
you  
Take me home tonight, I just wanna be close to you  
Take me home tonight, oh I know could never let go  
Take me home tonight, I just wanna be close to you in  
the night

Take me home tonight, oh yeah, oh you gotta stop this  
silly game  
Take me home tonight, I just want your love  
Take me home tonight, oh don't you try to push you  
luck too far  
Take me home tonight, I just wanna be close to you in  
the night.
