Now and then there's a doubt in my mind
It keeps me up through the night
I ask myself what is wrong and what is right
Are we loosin' control?

In this world full of science and technology
Scary things are bound to go wrong
And though I close my eyes and try to fall asleep
There's an image in me... oh baby.

One of those nights with a million thoughts to fight
One of those nights where nothing will rhyme
Holding you tight, ease the pain a bit inside
So give me all your love tonight.

There's a hole in the sky by the pole
Still no-one knows what to do
Any every time we cut a tree can't they see?

One of those nights...
