once wiseman said love must come from both sides  
well can you understand?  
now that you've gone away i never thought i'd see that  
day  
well my soul just ain't the same  
i never thought i'd feel this way - i never thought i'd be  
left to ache  
i never thought i'd be in this state - i never thought i'd  
hurt so bad  
be so mad - feel so sad, that i could lose what i had  
i never thought i'd ever be told - i'd feel so old  
i never thought u'd stomp on my soul  
i never thought i'd be so naive - i never thought that  
you could deceive

nothing is constant except change  
waters move and rearrange  
moving through them i can say  
what belongs will return one day

once upon a time you said you'd protect me from harm  
well look at what you done  
you left the eagle flying far to high - you gave up trying  
when you said goodbye  
isimylejes, pameles , galva i salta vandeni paneres,  
meiles sulciu prisisemes,i atostogas isejes ,ka cia dar  
pridurt?  
per daug vyno prisigeres, skambinu jai - dovanoju  
geles ir,  
vos tik atsikeles, ieskau jos,  
kur ji yra - ka ji daro ir su kuo, kaip akmuo - mane  
slegia nezinia,  
nes ir ten, nes ir cia jos nera, nejudia ,laime virsta  
kancia,  
nes laime kaip akimirka yra labai trumpa.  
issivaduot ,pabegt nuo kanciu, - nuo kvailu minciu  
as tave per daug myliu, bet daugiau negaliu,  
todėl dabar iseinu - durimis trenkiu su dziaugsmu.  
niekas man neskambina, manim nesidomi niekas,  
po velniu ,nenoriu,kad manes kazkas gailetus,  
nera, nerandu, nebus man vietos,  
pas tave jau atsirado kitas - ramybe mane ras, kai ateis

rytas.
