Actions have reactions  
It's just a fact of life  
To say they don't  
It's a blatant lie  
To walk around  
And just care less  
You're a nightmare  
In great distress

You're gonna get what the fuck you deserve  
You're gonna get what the fuck you deserve

It's a bitch  
And it'll get you back  
Trying hard to stay on track  
Never cared  
Never believed  
It's hard when all you've been is deceived

You're gonna get what the fuck you deserve  
You're gonna get what the fuck you deserve

You get what you regret  
You get what you regret  
You get what you regret  
You get what you regret  
You get what you regret  
You get what you regret  
You get what you regret  
You get what you regret  
You get what you regret  
You get what you regret  
You get what you regret  
You get what you regret

You're gonna get what the fuck you deserve  
You're gonna get what the fuck you deserve

You get what you regret  
You get what you regret  
You get what you regret  
You get what you regret
