"Becoming Undone"

Out there lost
In the fade
Found new hope
Stripped away
Crashing down
Onto Earth
Pain feels so good
I want to hurt

Watching me die in denial
Watching me die in denial
Watching me die in denial
Watching me die in denial

Pulls me down
Into the depths
To come undone
And fall to it
Addiction
Taking root
Try to deny
Can't refuse

Watching me die in denial
Watching me die in denial
Watching me die in denial
Watching me die in denial

Out here lost
Bleeding alone
Becoming undone
Killed my soul
Takes the hold
Drowns me slow
Hopeless devotion
Won't let go

Watching me die in denial
Watching me die in denial
Watching me die in denial
Watching me die in denial
Watching me die in denial

Watching me die in denial
Watching me die in denial
Watching me die in denial

Watch me...
