They only fuck you when you're beautiful
They only love you when you own the world
But when you're cold and ugly they'll leave you down
on the floor
Move on and pull from the endless line another shallow
whore
Pushing their null delusions
Filling your head with mindless repetition
As long as it's selling they'll cram it down your throat
again
And if it's not you're gonna get left behind in silence

It's the ugly truth
All these ugly truths
And you're an ugly truth
It's all the ugly truth

Realize that no one ever cared
This industry is a monster on the feed
And we're all just pawns in it all, sucked in because we
had to
We're just parts in this fucked up crooked machine
A gilded cage of greed and emptiness
A worthless song being overplayed to death
Ears open to the brand new blank sound of music
I'm disgusted at this point physically sick

It's the ugly truth
All these ugly truths
And I'm an ugly truth
It's all the ugly truth

But the proof doesn't seem to matter
When all you hear are lies
Because in these times it's nothing for the ears
And everything to the eyes

It's the ugly truth
All these ugly truths
Here's the ugly truth
It's all the ugly truth

Is there anything left to say?
Is there anything left to hear?
Not anymore but it's not worth it anyway

It's the ugly truth
Hear those ugly truths
Here's the ugly truth
It's all the ugly truth
