Get away
Get away
Get away
Get away

Cut the cord
Kill those fucking lights
Enough right now
I can't take it anymore
See you there
A lock wrapped around my throat
I see you there
With that gun pointed under your coat

Fuck the world
Disconnect myself from you
Fuck you too
Disconnect myself from you

Get away
Get away
Get away
Get away

Stop the madness
Let it stop
Give me a second to stand the fuck up
Because you already broke me down

Fuck the world
Disconnect myself from you
Fuck you too
Disconnect myself from you

I can't be driven under anymore now
I'll dissent now
Throw all your arms right back at you
Twice the power
Now you cower
I can't be beaten like an abused kid now
I'll dissent now
My revenge is my own and now you

Bleed and gasp now
Nearing death now

Get away
Get away
Get away
Get away
