

## Skar "Nothing Sacred"

Visit "[Nothing Sacred](#)" on [MotoLyrics.com](http://MotoLyrics.com)

There's nothing sacred anymore  
Nothing like it was before  
Gifted and unique are minds  
Beaten under by mankind  
There's nothing valued left today  
Society kills it all away  
Hide it inside because of fear  
Nothing sacred left here

Honesty is no policy  
Ignorance it's no gift  
Intellect it's now shame  
Sanctity, isn't shit

Profit from the guilt they preach  
It's just there to slave the weak  
Hypocritic holy wars  
To convert and settle scores  
Bullshit reigns supreme today  
Wonder when the world will wake  
Abandon fables built on lies  
Nothing's sacred I know why

Honesty is no policy  
Ignorance it's no gift  
Intellect it's now shame  
Sanctity, isn't shit  
Honesty is no policy  
Ignorance it's no gift  
Intellect it's now shame  
Sanctity, isn't shit

Shoving religion down our throats until we choke  
Fuck your dieties they aren't real anyway  
Theological bullshit I don't believe in it  
Proud to be accused of the blasphemy  
Deny what's false

Honesty is no policy  
Ignorance it's no gift  
Intellect it's now shame  
Sanctity, isn't shit

Honesty is no policy  
Ignorance it's no gift  
Intellect it's now shame  
Sanctity, isn't shit
