"Out Cold"

Everything I know is gone
Lost myself and lost my way
Always tried to shift the blame
But this time I'm gonna pay
I'm gonna pay
I'm gonna pay

No thoughts in my head
In coma brain dead
Left out cold
No voice I can't speak
No sense I can't think
Left out cold

The bad habits and cracks come out
I don't need this anymore
I can't keep fucking up like this
I can't keep fighting what's in store
What's in store
What's in store

No thoughts in my head
In coma brain dead
Left out cold
No voice I can't speak
No sense I can't think
Left out cold

Frozen well I am just too gone to go back
Derailed off of the beaten track

Out cold, out cold, out cold, out cold, out cold, out cold,
out cold, out

No thoughts in my head
In coma brain dead
Left out cold
No voice I can't speak
No sense I can't think
Left out cold

Out cold, out cold, out
