It's all bottled up inside
Kept in an eternal hide
Never sees the light of day
Trapped and dwindling away

A secret never to be free
Hidden deep inside of me
Shit never spoken about
Secrets never to be let out

Keep these secrets in
Never let them out
Keep the secrets in
Never speak about
The secret within...

A secret left alone
Wither and grow cold
Tucked away forever
All ties will now sever

Keep these secrets in
Never let them out
Keep the secrets in
Never speak about
The secret within...

Secrets (ruin the life)
Secrets (ruin the day)
Secrets (kill themselves)
Secrets (fade away)

Keep these secrets in
Never let them out
Keep the secrets in
Never speak about
The secret within...
Keep these secrets in
Never let them out
Keep the secrets in
Never speak about
The secret within...
