# "The Fall of Order"

Visit "[The Fall of Order](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Just look around  
And see how your strong fell right down  
Collapsed under how  
You gave them the weight of the world

Hate (hate)  
No means of control  
No civilized action  
Go take a look  
Lashing out  
With no self control  
Lashing out with no order

Exasperate  
Just attack first and ask why later  
Go on exacerbate  
Because you want to watch the fall of order

Hate (hate)  
No means of control  
No civilized action  
Go take a look  
Hate  
It's fucking right there  
Lashing out  
With no self control  
Lashing out with no order

Use your fist or use your mouth  
At any means you take it out  
It's all to no one's benefit  
And what we got was doubt

How can you watch us devolve this way?  
How can you let us cause our own decay?

Hate (hate)  
No means of control  
No civilized action  
Go take a look  
Hate

It's fucking right there  
Lashing out  
With no self control  
Lashing out with no order
