

## Skar "The Negative Sum"

Watch the lines  
See the light blind  
In my mind  
It's a blank sign  
And I see it take  
A part of me  
It seems so sweet, you wish  
If only...

Add it up  
Just to lose  
How the mania  
Inflicts abuse  
Stop your whining boy  
Got it good, man  
One sided view (third)  
See it my way...

AND I ADD IT UP  
JUST TO LOSE

Black out all the lights  
Blot out all the words  
Silence everything  
Separate from all

Stare at this negative (x4)  
(Sum...)
