What goes around will come around eventually  
Like seeds you plant into the ground so you see  
When you get up and go away  
There's a lot of children who continue to play.

Schooling the Duke  
Tra la la la la la  
Winning a hoop  
Schooling the Duke  
Now that it's said and done  
You're free to sing it in a foreign tongue

Espanol quien siembra vientos por fin  
Cosechara tempestades  
To que dos a la vi-da receberes  
Como les se-militas que siembra-ras  
Asa que cuando le vas de ace sequandran unos  
Ninos que jeungan

Schooling the Duke  
Tra la la la la la  
Winning a hoop  
Schooling the Duke  
Let's get together whether old or young

Interlude:  
When you are feeling the way I am feeling  
Makes you sing la la la la  
Schooling the Duke
