You are the light  
That turned into life so warm in me  
I know it was meant you were heaven-sent  
To come and set me free  
I was blinded by the pain felt before  
It's now so easy just to ignore  
Clearly love has made me see

Chorus

I've been waiting for this feeling  
Waiting for this feeling to come  
I've been waiting for this feeling  
To come along

I know hear the sound recently found  
My hidden ecstasy  
From thee first moment we met  
My mind won't let me forget  
Because my mind is making memories  
I was blinded by the pain felt before  
It's not so easy just to ignore  
Clearly you have made me see

Chorus

I've been waiting for this feeling  
Waiting for this feeling (I can't believe this feeling)  
Waiting for this feeling  
To come along, to come along  
To come along  
Been waiting
