Wanna see you with it
Sho?could treat you right
Give me just a minute
Of your time tonight

We both are here to have the fun
So let it whip

I know you're into groovin'
Love your body language
Baby let me know
You got me sorta anxious

We both are here to have the fun
So let it whip

So let it whip
(lets whip it baby)
Child
(lets whip it right)
Get a grip
(lets whip it baby, whip it all night)
Well, whats your trip
(oh no)
Child
C'mon let it whip
(C'mon whip)
(C'mon whip)

Now that you can see
How you groove with me
What else can I do
To get closer to you

We both are here to have the fun
So let it whip

We have the natural feeling
Obviously revealing
Let me be your paper man
I'd love to be your joker man

We both are here to have the fun
So let it whip
So let it whip
(lets whip it baby)
Child
(lets whip it right)
Get a grip
(lets whip it baby, whip it all night)
Well, whats your trip
(oh no)
Child
Cmon let it whip
(Cmon whip)
Ohhh
(Cmon whip)

(Theres no time to lose)
There is no time to lose
(Youre the one I choose, its alright)
Youre the one I choose,
I only wanna be with you
Youre the one for me
Cant you see that I
(I wont waste your time)
I wont waste your time
(I sense something divine in you)
Something divine in you
(yes I do)
Oooh-hoo-hoo

So let it whip
(lets whip it baby)
Child
(lets whip it right)
Get a grip
(lets whip it baby, whip it all night)
Well, whats your trip
(oh no)
Child
Cmon let it whip
(Cmon whip)
(Cmon whip)

(lets whip it baby)
(lets whip it right)
(lets whip it baby, whip it all night)

(Cmon whip)
(Cmon whip)

(Theres no time to lose)

There is no time to lose
(You're the one I choose, it's alright)
Hey, you're the one I choose,
I only wanna be with you
You're the one for me
Can't you see that I
(I won't waste your time)
I won't waste your time
(I sense something divine in you)
Something divine in you
(yes I do)
Ooh-hoo-hoo

So let it whip
(let's whip it baby)
Child
(let's whip it right)
Get a grip
(let's whip it baby, whip it all night)
Well, what's your trip
(oh no)
Child
C'mon let it whip
(C'mon whip)
(C'mon whip)

So let it whip
(let's whip it baby)
Child
