How many nights did you wait all alone
Wondering to yourself if I was ever coming home
And how many time did I break your heart into (honey
into)
When You Needed Roses
I should have been the one to bring you a sweet
bouquet, some tenderness and a lovin' touch
When You Needed Roses
I should have been the one
(been the one) aww
You gave so much and honey I only took
When it came to making love you could have wrote the
book
Blinded by my selfish ways girl I could not see that I
was losing you
(that I was losing you)
When You Needed Roses
I should have been the one to bring you a sweet
bouquet, some tenderness and a lovin touch
When You Needed Roses
A gentle kiss a little romance I should have been the
one
When You Needed Roses
I should have been the one
I couldn't have been more bold thinking I was so close
to you
How could you stand it
Now that your not with me
Why is it plain to see
Thing I should have said before
(just before)
When You Needed Roses
I should have been the one to bring you a sweet
bouquet, some tenderness and a lovin touch
When You Needed Roses
A gentle kiss a little romance
I should have been the one
When You Needed Roses
I should have been the one
When You Needed Roooses
A sweet bouquet, some tenderness and a lovin touch
(oh baby) I should have been the one

When You Need Roses

I should have been the one with a sweet bouquet, a
lovin touch, wooo a gentle kiss that means so much

When You Needed Roses

I should have been the one to be there

I should have been the one
