I'd plead  
My campaign  
But the bullets  
Stole my name  
They swallowed my vaccine  
When the bullets  
Killed their gene

Someone make a toast  
To the claustrophobic host  
Raise your glass  
Of mud and ash  
See what hurts the most

Guests  
Preen and pose  
Blowing bullets  
Out their nose  
They whinny and they bray  
Sending bullets  
On their way

Someone make a toast  
To the claustrophobic host  
Raise your glass  
Of mud and ash  
See what hurts the most

Shoes  
Filled with lead  
When the bullets  
Rear their heads  
Fingers twitch and sweat  
From the bullet's  
Silhouette

Someone make a toast  
To the claustrophobic host  
Raise your glass  
Of mud and ash  
See what hurts the most
