Started over yesterday
Wasn't quite sure what to say
U can stay and make A deal but I have to live with how I
feel
But if u want to take that chance
We can both take off our pants
And do kordoble
The penguin dance
It is now 1 week too late
Dropped the time to masterbate
My feelings will live in
But now ur gone
Me and u were once good friends
In it all till the end
U thought that u could hide
But I still stayed by ur side

(CHOURS)

What was I to do
When u went and flew away
What was I to say
When u decided not to stay
Nothing left to do
But think of u
Nothing left to say
But tell you that I do

It is now 3 weeks too late
Maybe I can take u on a date
Kordoble says that we belong
We believed him for so long
So why should we disobey
When we both wish to stay
All I want is to show
How I think things sould go

(CHOURS)

What was I to do
When u went and flew away
What was I to say
When u decided not to stay

Nothing left to do
But think of u
Nothing left to say
But tell you that I do
Tell you that I do (x4)
