### "This Horrifying Force"

Cursed hands of perpetual killing  
Demented, tormented  
Unquenchable lust to devour your soul  
A sick mind that knows not of illness  
Afflicted, sadistic  
This horrifying force, the desire to kill  
The desire to kill!

I am the night, a silent as shadow  
Bound by the crave of human flesh  
Blood crazed, with vicious abandon  
Ripping limbs from bodies, crushing bones

I lurk in the center of darkness  
Stand upon the bones of the dead  
My salvation is your total destruction  
Accept this gift of exquisite pain  
Beyond your flesh, your most beautiful blood  
Red thirst controlling, draining you of life  
Petrified I am your focus of fear  
Fix upon the demon as you die

Cry out in horror, now choke on your tears of blood  
My hunger for your flesh burns out of control  
Terrifying nightmare, you shall rot in this miserable  
grave  
You pray for death, I answer your prayer
