When I sit at home you're the only one I think about
The thought of you naked makes me wanna scream
and shout
Your (boobs!) boobs in my mouth taste so good I can't
describe it
When I tell my friends they jump up and down and they
yell
OH SHIT!

Yeah you wish you knew fish's ghetto rap about onion
rings and things here

I Fuc*** my grandma but I got no reward
When I F*** you in the ass you like it really hard
I just wanna cover you in syrup
Nothin else rhymes with syrup
(FUCK!)

La la la la la la la la
(LA!)
La la la la la la la la
(LA!)
La la la la la la la la
Eh eh eh eh eh eh eh eh eh eh

Rap it out

I Fuc*** my grandma but I got no reward
When I F*** you in the ass you like it really hard
I just wanna cover you in syrup
Nothin else rhymes with syrup

When I F*** you in the ass you like it really hard and
you scream
At me
Then I stick it up your nose just like a garden hose
Oh shit
I SHIT!
